Subject: Montana DEQ Attorney Reassignment

Hello everyone,

I will be moving over to the Natural Resource Damages Program with the Montana Attorney General's Office. My last day at DEQ will be August 31, 2018. Please direct any legal correspondence to Jon Morgan until a new site attorney has been assigned. If something is time critical that needs my attention, please let me know as soon as possible so that I can try to address it before I leave.

I have greatly enjoyed working with all of you, and will undoubtedly continue to cross paths with most of you in the future, albeit from a different angle.

Thanks,

Thad Adkins
